

These COVID-19 guidelines set forth by the Marietta Youth League are subject to change, but are to be adhered to as of 8/22/21:

Because our athletes are all K-6, the MYL follows protocol for the unvaccinated:

If you become a COVID contact OR a COVID positive patient:

Follow advise as directed by your physician and/or the Marietta/Belpre Health Department.

Call your coach immediately, and do not participate in sports or extra-curricular activities.

Do not attend in-person school.

Returning to normal:

You can return to extra-curricular activities after 7 days if you have received a negative viral (PCR or antigen) test that was performed at least 5 days AFTER exposure.

If the test is positive, you will isolate for 10 additional days.

You can return to extra-curricular activities after 10 days, without testing, WITHOUT symptoms present.
